NOTICE SD-356**

**SECTION II**

Attached is a copy of the SD-SSC-1 and SD-SSC-2 Cultural Resources Database Fiscal Year 2013 that is compatible with the upcoming Information Technology Systems deployment of Windows 7. This database (Windows7FY2013\_NRCS\_Cultural\_Resource\_database.mdb) has already been placed directly into your shared drive folder with your existing FY2013 cultural resources database.

Please use this newer version once your office has had Windows 7 deployed and discontinue use of the older version. If you need information from the older database transferred to your new database, please contact your area cultural resource specialist for assistance.

Please contact Dana Vaillancourt, State Cultural Resource Specialist, at (605) 352-1217, if you have any questions.

A handwritten signature in blue ink, appearing to read "Jeffrey J. Zimprich", is written over a light blue grid background.
